

List of forbidden devices (Rule 8.4)

Devices which offer real-time information for athletes are forbidden. For example:

- Suunto, Polar, FRWD
 - Garmin, Timex, Global Sat (GSat)
 - Adidas, Holux, Watch GPS (WG)
 - Digitrainer, MW705, GH-615M
- All the mobile phones are forbidden
 - Data loggers out of athletes' sight are allowed
 - Any other device that boat control officials don't know or understand it's functionality is forbidden
- A developing list will be at the information desk
